

### UEFA Euro 2020 Tournament Edition, Panini, 2021

La crisis sanitaria provocada por la COVID-19 obligó a retrasar la competición de la Eurocopa durante un año, este hecho afectó a la programación de las colecciones en la matriz italiana de Panini. Se editaron colecciones alusivas a la competición, pero parece ser que este ya es la colección de pegatinas definitiva. Tamaño del álbum clásico y cromos de dos tipos: unos de 6'5 x 5'4 y otros que salen a razón de dos por cada cromó, alargados, de dimensiones 2'7 x 6'5, numerados con número y letra.
